"Missing You"

Have I done
All I can
To make you
Understand

What if I
Fell asleep
Would you lie
There with me

I'm just missing you

How did you
Get inside
Only to
Say goodbye

I want you
More than you know
That's the only thing I know

I'm getting over you tonight
Won't wait for you to ask me what I'm doing
Cos I'll throw my inhibitions to the wind
I'm strong and I don't need this anymore
All I have to do is close the door

And I'll stop missing you

I'm on your side
And I always will be
Keeping the hair out of your eyes
And your face is close to mine
And I can't think straight
Because I can feel your breath on me
When you speak it's in a whisper and every moment
counts

I know I'm missing you

But if I didn't miss you

It wouldn't be worth it in the end
