Hallucinations

On the street

Going crazy

This cant be

All the people

Look like you

Realization

It can't be true

Oh no, I'm in love :(

On the outside

I look the same

Nothing different

Normal day

But whats that feeling?

Butterflies

In my stomach

No I'm not fine

Oh no, I'm in love :(

Oh no! I'm in love :(

Now you are all I'm thinking of

Oh my what do i do

'Cos I not ready

To fall in love

With you

Saw a doctor

Said to her

Make me better

Please, it hurts

Diagnosis

The words are thin

Telling me what i had to hear

Oh no, I'm in love :(

Oh no! I'm in love :(

Now you are all I'm thinking of

Oh my what do i do

'Cos I'm not ready to fall in love

With you

Staring forward

Paralyzed

I can smell you

Terrified
In need answers
What do I do
Help me,
I cant be in love with you
Oh no! I'm in love :(
Now you are all I'm thinking of
Oh my what do I do
'Cos I'm not ready
To fall in love with you
Now you are all I'm thinking of
Oh my what do I do
'Cos I'm not ready
To fall in love with you
