I want you to know
The things that I did
I know you were right, I know what you think
I miss our times
The plans that we made
I don't want things to end this way

So here we are
Together tonight
I hope you're having the time of your life
Let's start again
One step at a time
We could have something and I want to try if you want
to try

Time's on our side
You've got what you want
I'll understand if you want me to stop
I know I was wrong
But I'm learning fast
Is there a way to put this in the past?

I'm sorry I told you I loved you
I meant it at the time
I should have paid more attention
I knew I couldn't hide
I wanted to tell you the truth but
I couldn't say it right
I should have paid more attention
I knew I couldn't hide

And now I know I don't want to push you away
This is something I want to say
