Do You Know Who I am
Heres my music plan
You may not even know me
So Dont ask who I am (am)
Do you know who I am (I Bet you dont)
Heres my music plan
You may not even know me
So Dont ask who I am (am)

[Verse 1]

Yo, last time you saw me I was at a wall doing graffiti
for my album Make Me Rich, for some reason it needed
a treaty
the lyrics were so boreing , as I spoke every word
spoke
I mumbled I mumbled I Mumbled , until I rememberd
what I actually wrote
But back then it was just me, and my pad and I pen
pulling out the beats and working on a new album all
over again
when I finally finished the tracks, i decided to sell the
CDs (here take one)
took them to school gave them away and hoped for a
big please
nu you wouldnt believe how many rhymes Ive actually
written
Ive forgotten, but time five by twenty and figure out that
equation
ok so by now, you should know one thing, but what
about the money you ask
I never got any my rhymes to fast I never apperciated
the task
I never got any rhymes to stay focused , got to be
honest and try not to lie
and go straight to the principals office
what did happen though is I did go back in the day
when rappers got jacked
they put envelopes in a stack and ask for you to go and
get it back

[Chorus]

Do You Know Who I am

Heres my music plan
You may not even know me
So Dont ask who I am
Do you know who I am
Heres my music plan
You may not even know me
So Dont ask who I am

[Verse 2]

Now adays, I dont even know what im suppose to be
writing my lyrics?
instead I go to school and learn physics, with science
and the instrumenits
but if I had an instrumental,trying to keep cool,like I
own the school
I had the evil, I run to the drug place and stole
something very illegal
na, im kidding im not like that, Im a perfect person
No Im kidding Im not, im not even anything, I wont even
go to your birthday and give you a present
ok that wasnt sesset but that wasnt present i was
absent from school when I told the teacher I was having
a lesson
I was in a Guitar lesson, yea I know I play Guitar and I
rap, I know thats kinda freaky but how could I say that ,
it's like a trap
I try to figure back, and I go back in time and I try to
figure out what Im trying to say
this freestyle to leakle its so lame and people think its

no its not, im not *** and *** people can shut there
mouth
if they want to come to my house and see whats wrong
with me the accdently stole my couch
It was the middle of the night, and I was like asleep and
I didnt know what happened
and then I heard a creak it was like creak creak and
then I thought it was a freak (and then I looked outside)

[Chorus]

Do You Know Who I am
Heres my music plan
You may not even know me
So Dont ask who I am
Do you know who I am
Heres my music plan
You may not even know me
So Dont ask who I am

[Verse 3]

Ok, one night I was at like some sort of party
and I had some 48 below in my one hand and another
one in my cardy
and I had to tell my friends that I had to leave as quick
as I can
and they dont even know why, and I said I have to write
some songs to ??????
(Note: The Lyrics on this verse were too hard to make
out from the song...so I tried my best)
and they ask me what it is and how much do you get
paid
I dont get paid ***** I dont even know about that cause
I wont even answer that and thats what i sade
I had to go and write down on a note like an
aggreiement
looked like it was seenet , it looked so intellegiant , it
looked so hard it looked very Difficult
and I dont know why
and I dont know how
why I even try and you can go to hell
thats what People tell me
and thats what people say and say I should have to
support
they said I should stop and restart and do all the shit I
was taught
I should never learn it
proberlly ??????
I told them thats not a freestyle
and thats what they tell me what to say
some random person told me yesturday
i told them that I got two feet and two feet and two
hands
I just used my pad and my pad and I have to write a
song all over again?

[Chorus]
Do You Know Who I am
Heres my music plan
You may not even know me
So Dont ask who I am
Do you know who I am
Heres my music plan
You may not even know me
So Dont ask who I am

(Well)
