It never changes as the days draw near
Im still wishing I could disappear
It seems Ill run
Till my time is done
And as I brush it all aside
My hopeless hopes words cant describe
The dreams I keep
Help me sleep
And I wish for it to be true
I wish to stars and wish for two
But my counting days wont stay
And its not supposed to end this way

[CHORUS:]

But it wasnt meant to be
And I guess youll never see
That youll always be
Out of reach for me

And I guess Ill never know

If you noticed the feelings I couldnt show
Its the price I pay
To walk away
Regretting all the things I said
Trying to walk ahead instead
Youre too high for me
Eternally
But now Im out of time
And its now I wish that you were mine
I tired to wait for fate
But now I guess its all too late

[CHORUS]

I never thought its much
I wasn't tall enough to touch
But all I ever wished for
Was something special
With you

[CHORUS]

Out of reach for me.
