It gets harder every day, but I can't  
Seem to shake the pain  
I'm trying to find the words to say,  
Please stay  
It's written all over my face, I can't  
Function the same when you're not  
Here  
I'm calling your name and no one's  
There  
And I hope one day you'll see  
Nobody has it easy,  
I still can't believe you found  
Somebody new  
But I wish you the best, I guess.  
'Cause everybody knows, that  
Nobody really knows  
How to make it work, or how to  
Ease the hurt  
We've heard it all before, that  
Everybody knows  
How to make it right, I wish we  
Gave it one more try  
One more try  
One more try  
'Cause everybody knows, but  
Nobody really knows  
I don't care what the people say  
They're probably lonely anyway  
Baby don't fill up your head with  
He-said, she-said  
It seems like you just don't know  
The radio's on, you tuning me out,  
I'm trying to speak, you're turning  
Me down  
And I hope one day you'll see  
Nobody has it easy,  
I still can't believe you found  
Somebody new  
But I wish you the best, I guess.  
'Cause everybody knows, that  
Nobody really knows  
How to make it work, or how to

Ease the hurt  
We've heard it all before, that  
Everybody knows  
How to make it right, I wish we  
Gave it one more try  
One more try  
One more try  
One more try  
'Cause everybody knows, but  
Nobody really knows  
Oh I wish you'd understand  
Oh, just an ordinary man  
Listen we'd have known  
Everybody knows, but nobody really  
Knows  
And I know one day you'll see,  
Nobody has it easy  
I still can't believe you found  
Somebody new  
I wish you the best, I guess.  
'Cause everybody knows, that  
Nobody really knows  
How to make it work, or how to  
Ease the hurt  
We've heard it all before, that  
Everybody knows  
How to make it right, I wish we  
Gave it one more try  
One more try  
One more try  
One more try  
'Cause everybody knows, but
