Mmmmm Oh yeah yeah
See, I thought I new
But this just doesnt feel right without you
I tried so hard
to push away your heart
when i should have let it through
I miss your voice
anything that i hear is just noise
cuz you changed my world
I should have seen it girl
But I didn't know

I didnt know
who you were til you were gone (oooh I didnt know)
I didnt know you'd be so special to me
yeah I didnt know didnt know myself
Didnt know all the love I felt for you
so baby please dont go
I didnt know

Oh yeah yeah
I was convinced
that i could go through a day without your kiss
I never felt the way you made me melt
Oh since I touch your lips

I didnt know
who you were til you were gone (oooh I didnt know)
I didnt know you'd be so special to me
yeah yeah I didnt know didnt know myself
Didnt know all the love I felt for you
so baby please dont go
I didnt know oh

Singing na na na na na na na
I didnt know oh yeah
na na na na na na na na
I didnt know that i could fall so deep in love
I wanna be there when the morning sun comes up
can you forgive me this time
baby please

I thought I knew
But this just doesnt feel right without you
I didnt know
who you were til you were gone (oooh I didnt know)
I didnt know you'd be so special to me
yeah I didnt know didnt know myself
Didnt know all the love I felt for you
please dont let me go
so baby please dont let me go
didnt know
I didnt know
how beautiful
Didnt know
didnt know
didnt know
didnt know
