Please Go away, I Want To Be Alone,
Don't Need No Help To Carry On.
See Anyway, I Rue This Worthless Way,
See Me Through This Lousy Day.

I Just Can't Stand It Here With You.

Since You Came Along To Make The Change,
I Was Always Happy Then.
Evil Eyes And Your Messy Ways,
Can I Get Out While I Can?

I Just Can't Stand It Here With You.

With All Your Nasty Ways You Come Through
For Another Day, It Was You
Made Me Change My Life, And It's True
I Want To Be Alone Without You.
You Made My Day So Blue,
I Don't Need You Anymore.

Equal Now, With Such A Waste Of Time,
I Want To Leave It All Behind.
Ain't No Sense For You To Hang Around,
Get Out Of Here, Don't Want You Now.

I Just Can't Stand It Here With You.

With All Your Nasty Ways, You Come Through
For Another Day, It Was You
Made My Life, And It's True
I Want To Be Alone Without You,
You Made My Day So Blue,
I Don't Need You Anymore.

I Just Can't Stand It,
I Don't Need You Anymore.
I Just Can't Stand It,
I Don't Need You Anymore.

With All Your Nasty Ways, You Come Through

For Another Day, It Was You
Made My Life, And It's True
I Want To Be Alone Without You,
You Made My day So Blue,
I Don't Need You Anymore.

I Just Can't Stand It,
Don't Need You Anymore.
I Just Can't Stand It,
Don't Need You Anymore.
