You Sink, You Won't Go Out.  
You're So Afraid What Might Swallow You.  
Been Living In The Shadows.

What You Think, It Frightens You,  
To Really Get To You.  
What's Hiding, In The Shadows?  
What's Lurking, In The Shadows?

You Don't Go Out At Night.  
You Say The Dark Is Really Following You.  
Well Think, What Is The Reason.

There's No Escape, Nowhere To Turn,  
So Will It Get To You.  
What's Hiding, In The Shadows?  
Existing, In The Shadows?  
What's Deep Down, In The Shadows?  
What's Lurking, In The Shadows?

In The Shadows, In The Shadows,  
In The Shadows, In The Shadows.

Deep Down Below You're Gonna Find,  
The Thing That's Haunting You.  
Well, Is It So Very Frightening?

Is It You, But No One Else,  
You Might Allow Get To You?  
While Hiding In The Shadows.  
Existing In The Shadows.  
Deep Down In The Shadows.  
What's Lurking In The Shadows?

Have You Thought Of What You're Gonna Do?  
Have You Thought Is There An End To It All?  
Are You Going To Let It Get To You,  
Steal Your Mind Away, Your Time Away?

What Awaits? In The Shadows.  
What's Hiding? In The Shadows.

Hiding In The Shadows,  
Living In The Shadows,  
Existing In The Shadows,  
It's Deep Down In The Shadows.

In the Shadows, In The Shadows.

Have You Thought Of What You're Gonna Do?  
Have You Thought Is There An End To It All?  
Are You Going To Let It Get To You,  
Steal Your Mind Away, Your Time Away,  
Your Mind Astray?

Hiding, In The Shadows,  
Existing, In The Shadows.  
It's Deep Down, In The Shadows.  
It's Deep Down, In The Shadows.

It's So Cold, It's So Stark,-
