"Never To Lose"

I never had much but I gave what I had
I've been abused, I've been so sad
Now I've seen the errors of my ways
Said goodbye to all my happy days
I'm gonna try to see my way again
Aint gonna be easy aint got a friend
I know, I aint gonna lose
Aint gonna lose my way again
Now I've seen the errors of my ways
Said goodbye to all my happy days
I never had much but I gave what I had
I've been abused, I've been so sad
I know, I aint gonna lose
Aint gonna lose my way again
Time may pass but I may still remain
