I need you every night and day  
I want you don't't turn away  
Baby, you've got to stand by me  
Trust me it'll be alright  
If you only stay the night  
Woman, you got to stand by me

Chorus:  
Stand by me. Stand by me.  
Stand by me girl, I will set you free  
Stand by me. Stand by me.
