Tell You Whatcha Gonna Do, When Your Baby Breaks  
Your Heart.

Tell You Whatcha Gonna Do, When Your Baby Breaks  
Your Heart.

You That She's Done It Before,  
And Now She's Gone, She Can Do It No More.  
Whaahh, My Little Baby, What's Wrong With You?

What's Wrong With You, When She Walks Right Out On  
You?

Tell Me Whatcha Gonna Do, When She Walks Right Out  
On You?

You Know That She's Got Another Man,  
And Now You're Back Where You Began.  
Whaahh, My Little Baby, What's Wrong With You?

Tell Me Whatcha Gonna Do, When Your Baby Says  
Goodbye?

Tell Me Whatcha Gonna Do, When You Break Right  
Down And Cry

You Know That Your Baby Won't Be Back.  
She Bought A Ticket Down A One Way Track.  
Whaahh, My Little Honey, What Is Wrong With You?

What's Wrong With You? She Said So Long?

Tell Me What Is Wrong with You, Since Your Baby Said  
So Long?

Everbody, Sit And Pray, That Lord, She Won't Be Back  
One Day.

Whaahh, My Little Honey, What's Wrong With You?

Whatcha Gonna Do, When She Walks Right Out On You?

Ooohh Babe, When She Walks Right Out On You.

You Know That She's Done It Before.

But Now She's Gone, She Can't Do It No More.

Ooohh, My Little Babe, What Is Wrong With You?

Goodbye Babe, So Long, What's Wrong With You?
