Hello, hello
Hello what are you doing to me
Oh I never thought I'd change
Hello what's this your seeing in me
I wanna thank you for the faith
And I realize that your on my mind
And your all I ever need
And now you'll find that I'm in disguise
And I'm hiding all my dreams
Yes I'm hiding all my dreams

Hello, hello
Hello, hello

Hello how nice of you to come through
Its been time for me to trust
Let go, let go
Of all the fears inside I level right I'm in your touch
And I realize that your on my mind
And your all I ever need
And now you'll find that I'm in disguise
And I'm hiding all my dreams
Yes I'm hiding all my dreams

Hello, hello
Hello, hello
Hello, hello

I want you to see me
I want you to reach for me
I pray you'll show me the way (I pray you'll show me
the way)
I want you to break through
I want you to rake through
All of the pieces are free
Of me

Tell me what you see
Thank you for the faith
Tell me what you see
Time for me to trust

And I realize that you're on my mind
And you're all I ever need
And now you'll find that I'm in disguise
And I'm hiding all my dreams
Yes I'm hiding all my dreams

Hello, hello, hello, hello, (hello)
Baby I thank you
Hello, hello, hello, hello, (hello)
And I'm laying myself at your feet
Hello, hello, hello, hello, (hello)
Hello
Hello, hello, hello, hello, (hello)
I wanna thank you for the dreams
I wanna thank you
Thank you
Hello, hello, hello, hello, (hello)
Baby I thank you
Hello, hello
