Every day, the same on board

i got my groove, i know the store.

every day and every hour,

i feel the me, i feel my power.

It change the day, before the night,

i write the bullet, i change it right,

'cause every day, the same on board,

can get enough i still one more.

Yes i believe,

heaven is a place for us on earth.

Yes i believe ,

heaven is here.

(INSTRUMENTAL)

Yes i believe.

(INSTRUMENTAL)

Yes i believe,

heaven is a place for us on earth.

Yes i believe ,

heaven is here.

Every day, the same on board

i got my groove, i know the store.

every day and every hour,

i feel the me, i feel my power.

It change the day, before the night,

can get enough, can get enough.

Yes i believe,

heaven is a place for us on earth.

Yes i believe ,

heaven is here.

Yes i believe,

heaven is a place for us on earth.

Yes i believe ,
