"Be My"

You could be my Pam Beasley.
And I could be your Jim Halpert.
I would come into work everyday
And I would see you smiling face and everything would
be ok
'I just needed you to know I love you... Once.'

You could be my Topanga.
And I could be your Cory Matthews.
We would be best friends since we were four
And it would be you who each and everyday I would a
adore
I just love you more and more.
'If I could dream up the perfect girl she wouldn't
come... close to you.'

Be my Courtney Love or Louise Lane,
I'll be your Superman or Curt Cobain,
Ginny, Sarah, Pebbles, Laurie,
Harry, Grisom, Bam-bam, Curlie.
I will love you now and always,
Even if things go wrong.

You could be my Jenny.
And I could be your Forest Gump.
I would run across the world for you
I would go to Vietnam for you or name my boat for you
I would do anything for your love.
'I might not be too smart but at least I know... what love
is.'

You could be my girlfriend.
And I will try to be your everything.
No one's story could be better than ours
And now that I'm here I promise everything will be fine.
What I'm trying to tell you is that I love you...
