Isn't strange how the flowers on my wall don't seem to
grow at all?
Isn't it weird how I'm doin' fine nowadays since you're
gone.

There was this one girl who really changed my life, Too
bad I couldn't do the same for her.
Couldn't be more different, couldn't be more wrong,
This could not be right.

And I think I'm gonna just leave,
Cause what I really need is a change.

There was this one girl could have been the one to
steal my heart away.
Only flaw was she drove me, she was driving me crazy.

And I wanna tell you how I'm
Sorry for the way it had to end.

There was another girl, pretty blonde petite, perfect as
can be,
Only problem was she knew she was great so she
wouldn't give me the time of day.

And I wanna tell you that I've
Been changed by everything you didn't say.

Question you and question me and question our
integrity.
Wondering how, and I'm wondering why and I'm
wondering what made us think it would be alright,
If only for tonight.

Ain't it ironic how my world falls,
Everytime you come around.

Isn't it strange how the flowers on my wall don't seem
to grow at all?
Isn't it weird how I'm doing fine nowadays since you're
gone...
