Please,
Rub it in my face a little more.
Don't,
Act like nothing happened between you and me.

You,
Aren't happy with him, just admit it.
I,
Could treat you better if i had that chance.

Sometimes it feels like no one will listen to me.

Do,
You remeber anything I said?
How,
Can I get your attention again?

Sometimes i feel like i need to say to you, thank you.
Sometimes it feels like you miss me more than you
than you think.
Can,
I introduce myself again?
I'm,
The one who used to be your best friend.

In case,
I forgot to tell you,
The chase,
After you, was the best time of my life.
It was the best time of my life.

Sometimes i feel like chasing you, was worth that
chance.
For you to listen.

Please,
Rub it in my face a little more.
