Take a deep breath,
Close your eyes,
Begin to think.

Lean in close,
It's time again,
For this bitter kiss.

This bitter kiss,
You want it so,
So what it wrong?
It'll never last past tonight.
This bitter kiss burns on my lips,
With all the lies it holds.
This bitter kiss,
This bitter kiss ends tonight.

Brush your teeth,
Get a drink,
Grap something quick to eat.

Oh God, it's still there,
Make it stop,
Get off my lips,
You bitter kiss.

As cold as stone,
As evil as,
Beelzubub ever was.
This bitter kiss burns on my lips,
With all the lies it holds.
This bitter kiss,
This bitter kiss ends tonight.

This bitter kiss,
You want it so,
So what it wrong?
It'll never last past tonight.
This bitter kiss burns on my lips,
With all the lies it holds.
This bitter kiss,

This bitter kiss ends tonight.

As cold as stone,
As evil as,
Beelzubub ever was.
This bitter kiss burns on my lips,
With all the lies it holds.
This bitter kiss,
This bitter kiss ends tonight.
