You walk the streets like you're a model
You're turning heads with every stride
And every cover girl you love will walk on by
Now I'm watching very closely
I'm zoning in on you
And when the time is right I'll know and make my move
And you say, seen it all, seen it all, seen it all before
And you say, give me some, give me some, give me
something more

But if you want me (hey-oh)
Set me up or shot me down now (hey-oh)
Make or break, girl, I'm coming after you

You're like a drug without the rehab
You like to t-t-t-tantalize
But nothing ever seems to leave me satisfied
And you say, seen it all, seen it all, seen it all before
And you say, give me some, give me some, give me
something

(Hey-oh) Set me up or shot me down now (hey-oh)
Make or break, girl, I'm coming after you

And you say what you wanna say
And you go where you wanna go
Play where you wanna play
Now I know what I need to know
I'm watching you
I'm coming after, I'm coming after you

And if you want me (hey-oh)
Set me up or shot me down now (hey-oh)
Make or break, girl, I'm coming after you
I'm coming after you, I'm coming after
I'm coming after you
