Tonight

I turn ya turn ya on like the TV
You tryed to learn learn like it's easy, alright
You gotta let let go tonight
You had it in the back room, no you don't
You fired like a flag, oh no you wont

I aint gunna let you get away, aay
Tonight, and if you wanna mess with me away
I'm gunna let let go tonight (oooh)
I wanna try you (oooh)
You wanna try to get inside
You better get get back in line
You gotta let let go tonight

(Let let go let let go, let let go let let go)

Tonight, you move move like ya like ya own me
Live a life like that, wont'cha show me up
You gunna, wag tail me a fight
A part of me wants to leave you high & dry
A part of you wants to love me like a waste of your time

I aint gunna let you get away, aay
Tonight, and if you wanna mess with me away
I'm gunna let let go tonight (oooh)
I wanna try you (oooh)
You wanna try to get inside
You better get get back in line
You gotta let let gooo

And if you wanna get lost with me
Tonight, well I can show you life if you dream with me
Dream with me toniiiiighhtt

I aint gunna let you get away
And if you wanna mess with me away
Let let go tonight (oooh)
I wanna try you (oooh)
You wanna try to get inside
You gotta let let go tonight (oooh)
You wanna try it

I wanna try and make you mine
You better get get back in line
You gotta let let go tonight!
