Open the door
Let me back in
Tell me what's wrong
It's not my fault again

Now you're leaving
Cause that's the last straw
The pain that you're feeling
It's not worth being strong

Say I'm empty,
Nothing left to give
Nothing left to live

Maybe I'm wrong
But I am holding on
To what i thought we had

Maybe I'm Wrong
But I am holding on
Because I want you back
Maybe I'm Wrong

So now you're lonely
Pretend nothing's wrong
Surrounded by memories
That string you along

Disguising your purpose
To get back at me
And let me be honest
You're so good to see
But still I'm empty,
And we're all turned around
We're all turned around

Maybe I'm wrong
But I am holding on
To what I thought we had

Maybe I'm wrong
But I am holding on

Because I want you back
Maybe I'm Wrong

Maybe I'm wrong...
Maybe I'm wrong

Maybe I'm wrong
But I am holding on
To what I thought we had

Maybe I'm wrong
But I am holding on
Because I want you back

And maybe I'm wrong
But I am holding on
To what I thought we had

Maybe I'm wrong
Maybe I'm wrong...
