If you want me
Come and Get me
I know what's on your mind.

So whisper softly
Your words come easy
We've got plenty of time

Chorus:

And you Play That Dirty Girl
That everybody wants
And you hide yourself inside
Pretending you're not haunting me
Pretending you're not wanting me

Say something, different.
Say something, true.
That something, coming from you.

Chorus:

And you Play That Dirty Girl
That everybody wants
And you hide yourself inside
Pretending you're not haunting me

And you're dancing on the table
Looking like a good time
Raising all the eyebrows
Smooth as a bottle of red wine
Good times, good times.

Oh, oh, oh, oh.

Do you trust me?.....

And you're dancing on the table
Looking like a good time
Raising all the eyebrows
Smooth as a bottle of red wine
Good times, good times. (x2)

Pretending you're not wanting me
