I'm waiting for the blue sky to come again, I'm waiting  
for long sleepy sunshine, baking in the heat of the  
midday, with a warm sticky breeze from the east side,  
you can see this city through a pink haze, where  
everybody's working on overtime, I wanna lie back and  
while my time away, I ain't gonna work in no beehive,  
from today I'm on eternal holiday, from today I'm  
giving up, I resign...

cause I ain't gonna work in the sunshine, I ain't gonna  
work in the sunshine, no I ain't gonna work in the  
sunshine...

I wish that I was born in Mexico, where it's never gonna  
snow in springtime, and everybody's loose and on the  
go slow, find yourself a wall and then you recline, it's  
time for me to pick up a telephone, I think it's time I  
called the airline...

cause I ain't gonna work in the sunshine, I ain't gonna  
work in the sunshine, no I ain't gonna work in the  
sunshine...

come winter I must be gone, I must be gone, long gone  
I must be gone

come winter I must be gone, I must be gone, long gone  
I must be gone

cause I ain't gonna work in the sunshine, I ain't gonna  
work in the sunshine, no I ain't gonna work in the  
sunshine...

in the sunshine, in the sunshine, come lie with me in  
the sunshine
