You know I'm not one to break promises
I don't want to hurt you but I need to breathe
At the end of it all, you're still my best friend
But there's something inside that I need to release
Which way is right, which way is wrong
How do I say that I need to move on
You know we have is separate way

And it feels like I am just too close to love you
There's nothing I can really say
I can't lie no more, I can't hide no more
Got to be true to myself
And it feels like I am just too close to love you
So I'll be on my way

You gave me more that I can return
Yet there's so much that you deserve
Nothing to say, nothing to do,
I've nothing to give
I must leave without you
You know we have is separate way

And it feels like I am just too close to love you
There's nothing I can really say
I can't lie no more, I can't hide no more
Got to be true to myself
And it feels like I am just too close to love you
So I'll be on my way

So I'll be on my way

And it feels like I am just too close to love you
There's nothing that I can really say
I can't lie no more, I can't hide no more
Got to be true to myself
And it feels like I am just too close to love you
So I'll be on my way

So I'll be on my way
So I'll be on my way
