I just
Don't understand
How love so good
Can turn so bad
We just
Don't walk away
Girl
We've come too far
Last time
To work it out

Chorus:
'Cus we used
To have good love
But now it's gone
So girl
Let's try find out
(What's missing)
We used
To have good love
But now it's gone
So girl
We gotta try find out
What's missed in love

(In our love)
In our love
(In our love)

I have
To ask you
Girl
What would it take
To make
Things right again
If we both do
A little soul
Searching
We'll get back
What we once had

(Chorus)

(In our love)
In our love
Sometimes I just
Don't understand

(We used
To have good love)
Girl
(Looked around
And now it's gone)
Now it's gone
(We used
To have good love)
The love from you
And me
(Let's try find out
What's missing)
Now it's gone

(We used
To have good love)
Girl
(Looked around
And now it's gone)
Now it's gone away
(We used
To have good love)
Love, hell no
(Let's try find out
What's missing)

(We used
To have good love)
Yeah
(Looked around
And now it's gone)
Now it's gone
(We used
To have good love)
(Let's try find out
What's missing)
Gone away

(We used
To have good love)
(Looked around
And now it's gone)
Now it's gone
(We used
To have good love)

(Let's try find out
What's missing)

(We used
To have good love)
Looked around
And it was gone away
What's missing
Girl?
What's missing
With you and me?
Missing with you
And me
Baby, yeah

It seems a lot
It's like a maze
And the corridors
Change every day
I'm lost
Without your lovin'
Babe
Let's find
(What's missing)

And if I have
To change my way
To keep the smile
On your face
I'll gladly do
That for you
But let's find
(What's missing)

I'll come
From New York
To L.A.
Swim the ocean
In a hurricane
And all the time
I'll ask you
Can you tell me
(What's missing)

'Cus when I caught
Your lovin'
Girl
Meant more to me
Than all the world
I'm lost
Without your lovin'

Help me find
(Yey, yeah, yeah)

(Chorus)

Good love
But now it's gone
So girl
We gotta try find out
(What's missing)
We used
To have good love
But now it's gone
So girl
Let's try find out
(What's missing)

(We used
To have good love)
(Looked around
And now it's gone)
(We used
To have good love)
(Let's try find out
What's missing)

(We used
To have good love)
What's missing
Girl?
(Looked around
And now it's gone)
Missing, baby
(We used
To have good love)
In our oooouh
(Let's try find out
What's missing)

(We used
To have good love)
(Looked around
And now it's gone)
It's gone away
Oh
(We used
To have good love)
Gone away
(Let's try find out
What's missing)

(We used
To have good love)
(Looked around
And now it's gone)
Gone away
(We used
To have good love)
From me
(Let's try find out
What's missing)
My baby
Yeah

Now it's gone away
What's missing
Girl?
What's missed
In our love
