Alexandra:

This beat is crazy  
This club amazing  
This is where I'm gonna be  
I'm on the floor don't worry me

And this guy is crazy  
His frame amazing  
I got my scent all over him  
As we dance erotically

His body interlocks with mine  
Sends chills all up and down my spine  
And I pull him close and whisper in his ear

Oh, I said

What will it be  
For you and me  
Is it good night?  
Or is it good morning?  
Is it good night?  
Or is it good morning?  
Is it good night?  
Or is it good morning?

What will it be  
For you and me  
Is it good night?  
Or is it good morning?  
Is it good night?  
Or is it good morning?  
Is it good night?  
Or is it good morning?

Neyo:

I feel so crazy  
,but she feels amazing  
Ooh the way she's touching me  
I can imagine what it would be

Her body interlocked with mine  
sends chills all up and down her spine  
She pulls me closer and whispers in my ear

Oh, she said

What will it be  
For you and me  
Is it good night?  
Or is it good morning?  
Is it good night?  
Or is it good morning?  
Is it good night?  
Or is it good morning?

What will it be  
For you and me  
Is it good night?  
Or is it good morning?  
Is it good night?  
Or is it good morning?  
Is it good night?  
Or is it good morning?

Alexandra:

Everything in the room started spinning  
Got his voice in my head  
asking Is this the end?  
or only just beginning  
of this little escapade?

Neyo:

She was turning me on  
how she work in the middle  
but there's something about her  
that scared me a little  
she looked me in my eyes and all she had to say

this beat is crazy  
this beat is crazy  
this beat is crazy  
this beat is crazy

What will it be  
(What will it be)  
For you and me  
(For you and me)  
Is it good night?

(Is it good night?)  
Or is it good morning?  
(oohh)  
Is it good night?  
Or is it good morning?  
Is it good night?  
(oohh)  
Or is it good morning?

What will it be  
(Tell me what will it be-e-e)  
For you and me  
Is it good night?  
Or is it good morning?  
(Whoaaaa)  
Is it good night?  
Or is it good morning?  
(Is it good morning?)  
Is it good night?  
Or is it good morning?  
(Is it good morning?)

What will it be  
For you and me  
(For you and me)  
Is it good night?  
Or is it good morning?  
(Oohh, is it good morning?)  
Is it good night?  
Or is it good morning?  
Is it good night?  
Or is it good morning?

So, what will it be  
For you and me  
Is it good night?  
Or is it good morning?

Is it good night?  
Or is it good morning?

This beat is crazy.
