I tried everything to get over you  
Tryin' to make it through but nothing ever seems to  
work  
Dead in the bed, a thousand tears were shed  
You should get out my head  
Nothing takes away the pain  
I can't stay here can't stay  
I'm going out tonight  
I'm dancing all alone (heartbreak on hold)  
Close my eyes  
It's time to let it go (heartbreak on hold)  
I'm gonna take it to the dance floor doing it on my own  
Tonight putting my heartbreak on hold (heartbreak on  
hold)  
Heartbreak on hold  
It's been so long  
Since I had some fun  
But no I can't run I hope the music numbs the pain  
I need something to take me away  
I just need a sweet escape  
I can't stay here can't stay  
I'm going out tonight  
I'm dancing all alone (heartbreak on hold)  
Close my eyes  
It's time to let it go (heartbreak on hold)  
I'm gonna take it to the dance floor doing it on my own  
Tonight putting my heartbreak on hold (heartbreak on  
hold)  
Heartbreak on hold  
How your moving it  
Sets me free  
Dance away all of my memories  
Not gonna let this pain take over me  
Tomorrow's gonna be a new day  
I can't stay  
I'm going out tonight  
I'm dancing all alone (heartbreak on hold)  
Close my eyes  
It's time to let it go (heartbreak on hold)  
I'm gonna take it to the dance floor doing it on my own  
Tonight putting my heartbreak on hold (heartbreak on  
hold)

Heartbreak on hold  
oh  
(heartbreak on hold)  
Close my eyes  
(heartbreak on hold)  
I'm gonna take it to the dance floor doing it on my own  
Tonight putting my heartbreak on hold (heartbreak on  
hold)
