Time is held I can't catch my breath  
Been finally so long I just ain't got nothing left  
Are we done?  
Coz I can't take it anymore  
I just can't take it  
Been so long since I was close enough to smell your  
smell  
Telling me that love is still good  
If it is boy I can't tell  
Are we done?  
Coz I can't take it anymore  
Said I just can't take it

Oh boy there ain't no tears to cry  
I think it's over  
I think it's over  
We both know this love has died  
I think it's over  
I think it's over  
Coz I just can't take it anymore

Say I'm tripping when I tell you that we've changed  
That your friends my friends  
And everybody saying the same thing  
Are we done?  
Coz I can't take it anymore  
Said I just can't take it  
I've been noticing the way you get dressed up and go  
to the store  
It's right around the corner  
But you'll be gone an hour sometimes more  
I ain't the one  
And I can't take it anymore  
Said I just can't take it

Oh boy there ain't no tears to cry (ain't no, ohh)  
I think it's over  
I think it's over  
We both know this love has died (we both know, has  
died)  
I think it's over (ooh)  
I think it's over

Coz I just can't take it anymore  
Just can't take it anymore

We can be honest we have no reason to lie  
Baby we don't have to deny  
Whatever happens we can't say that we dint try  
Nothing for us to do now but say

Oh boy there ain't no tears to cry  
I think it's over  
I think it's over  
We both know this love has died (coz we both know)  
I think it's over  
I think it's over  
Coz I just can't take it anymore  
Just can't take it anymore  
Ohhhhhhhh

Oh boy there ain't no tears to cry  
I think it's over (I think it's over)  
I think it's over (yeah)  
We both know this love has died (this love had died)  
I think it's over (over)  
I think it's over  
Coz I just can't take it anymore  
Just can't take it anymore
