Baby, can't you see?
I'm calling
A guy like you
Should wear a warning
It's dangerous
I'm falling

There's no escape
I can't wait
I need a hit
Baby, give me it
You're dangerous
I'm loving it

Too high, can't come down
Losing my head, spinnin' 'round
Do you feel me now?

On the taste of your lips
I'm on a ride
You're toxic I'm slipping under
On the taste of your poison, paradise

I'm addicted to you
Don't you know that you're toxic?
And I love what you do
Don't you know that you're toxic?

Intoxicate me now
With your loving now
I think I'm ready now
(I think I'm ready now)

Intoxicate me now
With your loving now
I think I'm ready now

Taste of your lips
I'm on a ride

You're toxic I'm slipping under

On the taste of your poison paradise
I'm addicted to you
Don't you know that you're toxic?
