What happens on the dance floor stays on the dance floor

The beat starts as she walks in, cause she's looking so fine.

Ohh, oh oh.

They say she got a boyfriend, but he ain't here tonight.

Ohh, oh oh.

?

Buying drinks that get to me.

I start feeling it.

When he's saying

Come on get up on me cause I know that you want it.

Music got me burning and I don't wanna stop it.

It ain't really cheating if the beat makes you do it.

Just let it make you do it, do it, do it.

He's flirting with the whole set ?

But he gives me the eye.

I can't believe that I'm jealous.

But he's too fine to fight.

?

Look she's only here for me.

I start feeling it,

When she's saying.

Come on get up on me cause I know that you want it.

Music got me burning and I don't wanna stop it
It ain't really cheating if the beat makes you do it.
Just let it make you do it, do it, do it.

What you doin' dancing that way?
It makes it hard for me to behave.

Call the doctor, doctor.

We got another victim on the dance floor, dance floor.
She hooked me with the rhythm

Come on get up on me cause I know that you want it.
Music got me burning and I don't wanna stop it
It ain't really cheating if the beat makes you do it.
Just let it make you do it, do it, do it.
