She get it with no problem

Than a filled up bank vault  
On her arm  
Big Louis Bag  
Inside of that  
Big wads of cash  
She nevers runs out on a Master card  
She only goes shoppin with a blacker card  
Never go broke  
With the back of dad  
She strikes a pose  
With every camera flash  
Like walk stop pose walk  
Walk stop pose walk  
Like Step step turn stop
