You're a no good heartbreaker
Your a liar and your a cheat
And I don't know why
I let you do these things to me

My friends keep tellin' me
That you ain't no good
Whoa-oh-oh but they don't know
That I'd leave you if I could

I guess I'm all uptight
And I'm stuck like glue
Cause I ain't never, I ain't never
I ain't never, no no
Loved a man, the way that i, I love a you

Some time ago I thought
You would run out of fools
But I was so wrong
You gotta one that you'll never lose

The way you treat me it's a shame
How could ya hurt me so bad'
Baby you know that I'm the best thing
That you ever had

Kiss me once again
Don't ya never, never say that we're through
Cause I ain't never, never, never no no
Loved a man, the way that i, I love you

I can't sleep at night and I can't leave your body
I guess I'll never be free
Since you got your love in me
Whoa, whoa, whoa

'cause I never never loved a man....
