Hey Alexia what a party you are having tonight
How did you organize such a thing?

Party is ratatatalatata rat
Party ta ra ta ta ta pa pa

Every time is the same situation
Working hard every day of my life
I just can't wait to reach to my salvation so that in the
night everything will be fine

Party?

I gotta find someone to love,
Cause I have waited for so long
I never felt this way before
So baby stand by me

Keep' on moving,
Keep on dancing, dancing to the beat
Keep on jumping, yea I want to party tonight
I wanna party tonight

Party ta ra ta ta ta ta ta ra

Take my hand, bring me out if you want me
Yes I know, baby you ve got style
You wanna Play the game I don't want to get lonely
I feel the vibes maybe it's love at first sight

I gotta find

Keep on movin'
