Come on
Come on do the locomotion with me
Locomotion (Come on)
You got the notion,
Locomotion
Do it, babe, yeah
Everybody's doing a brand new dance now
(Come on baby, do the locomotion)
I know you'll get to like it if you give it a chance now
(Come on baby, do the locomotion)
My little baby sister
Can do it with me,
It's easier than
Learning your ABC
So come on, come on
Do the locomotion with me
You've gotta
Swing your hips now,
Come on, baby
Jump up, ooh jump back
Well I think
You've got the knack,
Oh-oooh-oh
Now that you can do it, let's make a chain now
(Come on baby, do the locomotion)
A chugga-chugga, motion, like a railway train now
(Come on baby, do the locomotion)
Do it nice and easy
Now don't lose control,
A little bit of rhythm
And a whole lotta soul,
So come on, come on
Do the locomotion with me
(Come on locomotion)
The locomotion
(Come on, come on)
Come on, the locomotion
(Come on, come on)
Come on, the locomotion
(Come on, come on)
Come on

(Come on, come on)
Come on
(Come on, come on)
Come on, the locomotion!
