Tu lo sai che in una storia, giusto prima o poi
Pu? arrivare il momento di voltare pagina
E se devi andare chiudi bene pi? che puoi
Per non farti fregare un'altra volta l'anima...

Perch? c'? sempre, tu lo sai
Qualcosa da lasciare
Perch? c'? sempre pi? che mai
Qualcosa da ricordare
Ed ? gi? difficile per me dirtelo cos?...

Non ti dimenticher?
Tanto facilmetne
Per le cose che mi hai regalato

Non ti dimenticher?
Specie quando a luci spente
Tutto torner? alla mente
Perch? ? stato troppo bello insieme a te...

It's so hard to say it's over
But I can't deny
What we shared was something
No one can't describe.

Time will never change the feeling
Between you and I
Cause you made me feel so real
When you wewe mine

How can I tell you baby now
I'll never find a better love
How do I keep on going on
Pretending I can't forget you

Lovers always say "forever"
But do they tell the truth?

You will be always the one
The one I will remember
For the moments that you gave me baby!

You will be always the one
Your memories are so tender!
Don't forget about me baby
And I'll never forget about you...

Got to be strong,
But I know it could be wrong !
In your arms,
L'm feeling safe

Even if I know there's nothing left to say
L'm sure you'll never
Break my heart!

Non ti dimenticher?
Specie quando a luci spente
Tutto torner? alla mente
Perch? ? stato troppo bello insieme a te...
