Chorus:

Ring before you come around
Ring I might be gettin down
Ring and I will open up my door to you
So, ring I might be on the phone
Ring or wanna be home alone
Ring you can't turn up when you want to boy
So ring

So you like me
Well I like you to
And there's something strange
That makes me wanna get with you
But your player
you tell me players have rules
Well that's fine by me
Cos I got one or two
So I tell you how it's gonna be
If you wanna kick in with me
you got to

Chorus

Now you can understand
That I'm no fool
But you wanna have your cake
And eat it to
Well that's ok
It's one down with today
So if it's good for you
It's gotta be good for me
So I tell you how it's gonna be
If you wanna kick in with me
you got to

Chorus

You might not think I'm a lady (but your wrong)
cos I'm all that and more
No one is gonna treat me how they want to
so before you come and knock in at my door

You have got to

Chorus x3
