May the Grace of God be with you always, in your heart  
May you know the truth inside you from the start  
May you find the strength to know that you are a  
Part of something beautiful...

And I thought that I saw, a light Shine, I thought that I  
saw a light shine  
Yes, I thought, that I saw, a light Shine; I think I see a  
light shine, now...

May the Grace of God be with you always, in your heart  
May you know the truth inside you from the start  
May you find the strength to know that you are a  
Part of something beautiful...

May the Grace of God be with you always, in your heart  
May you know the truth inside you from the start  
May you find the strength to know that you are a  
Part of something beautiful...

And I thought that I saw, a light Shine, I thought that I  
saw a light shine  
Yes, I thought, that I saw, a light Shine; I thought that I  
saw a light shine  
Yes, I thought, that I saw, a light Shine; I thought that I  
saw a light shine  
Yes, I thought, that I saw, a light Shine; I thought that I  
saw a light shine  
Yes, I thought, that I saw, a light Shine; I think I see a  
light shine... now

From the corner of my eye I thought I saw a light shine  
From the corner of my eye I thought I saw a light shine

And I thought that I saw, a light shine, I thought that I  
saw, a light shine  
Yes, I thought, that I saw, a light Shine; I thought I saw a  
light shine now  
(From the corner of my eye I thought I saw a light shine  
From the corner of my eye I thought I saw a light shine)  
And I thought, than I saw, a light shine, I thought that I  
saw, a light shine

Yes, I thought, that I saw, a light Shine; I think I see a  
light shine now

May the Grace of God be with you always, in your heart  
May you know the truth inside you from the start  
May you find the strength to know that you are a  
Part of something beautiful...
