Well East Coast girls are hip
I really dig those styles they wear

And the Southern girls with the way they talk
They knock me out when I'm down there

The midwest farmer's daughters
Really make you feel alright

And the Northern girls with the way they kiss
They keep their boyfriends warm at night

* I wish they all could be California girls
... Wish they all could be California
... Wish they all could be California girls

The West Coast has the sunshine
And the girls all get so tanned

I dig a French bikini on a Hawaiian Island
Crossed by a palm tree in the sand

I been all around this great big world
And I see all kinds of girls

Yea, but I couldn't wait
To get back in the "States"
Back to the cutest girls in the world

* Repeat

Girls, Girls, Girls
Yea, I dig the Girls, Girls, Girls
Yea, I dig the Girls, Girls, Girls

I wish they all could be California girls
... Wish they all could be California girls

Yea, I dig the Girls, Girls, Girls
Yea, I dig the Girls, Girls, Girls
I wish they all could be California girls
... Wish they all could be California girls
