You mean everything to me
I mean I don't know what it is about you
You, you, all I need is you
You came and took my breath away
And there was nothing I could say
You are the one that's making my heart beat
Making my heart beat faster
And I can't even think or sleep
I wish you're making love to me
Well I'm so excited I just cannot hide it from you, you,
you

*Cause you is all I need
You're everything I've ever wanted baby
It's you, you're good to me my favourite thing
Cause all I need oh baby is you
Shooby, doo, shooby doo, la, la, la
All I need is you
Baby you, shooby doo, shooby doo, la, la, la
All I need is you, you

Now I love you even more
More than I ever did before
You are the one that's making my heart grow
Making my heart grow darling
Baby I was meant for you
And I will be forever true
And I'll always be there
Cause I'll never live without you, you, you

*Repeat

If you look into my eyes
You can see I'm mesmerized by you, you, you

*Repeat
