They're tiny and they're teeny,  
Much smaller than a beany,  
They never can be seeny,  
The Atoms Family.

They are so small.  
(snap,snap)  
They're round like a ball.  
(snap,snap)  
They make up the air.  
They're everywhere.  
Can't see them at all.  
(snap,snap)

Together they make gases,  
And liquids like molasses,  
And all the solid masses,  
The Atoms Family

(Chorus)

Neutrons can be found,  
Where protons hang around;  
Electrons they surround  
The Atoms Family

They are so small.  
(snap,snap)  
They're round like a ball.  
(snap,snap)  
They make up the air.  
They're everywhere.  
Can't see them at all.  
(snap,snap)
