Como me encanta su piel
Y su carita
Me hace sentir especial
Mi favorita
Como menea
Se menea
Que cruel
Como menea
Se menea
(Go girl)

Go, go, go, go, go
Go, go girls, girls
Go girls, go wild on me
Go girls, go wild on me
Go, go, go, go, go
Go, go girls, girls
Go girls, go wild on me
Go girls, go wild on me

Si supiera lo mucho que ella me gusta
Lo mucho que ella me excita
Cuando mas cerca de ella me siento
De repente viene y me vista
Una quimica magica que me provoca
A comermela to'a
Una fuerte
Cada vez que se quita la ropa
Toma ese boom
Quiero boom-boom
Toma de mi boom-boom
Ma, robate el show
Tenerte entre sabanas rojas
Y hacerte el amor (rough)
You know!
Esa pichaera me mata
Tu cuerpo me arrebatata
Yo quisiera que fuera mi gata
Que te pusiera conmigo sata
Pa' ponertelo!
Para hacertelo!
(Ah! Ah! Ah! Ah!)

Pa' ponertelo!
Para hacertelo!
De eso se trata

Go, go, go, go, go
Go, go girls, girls
Go girls, go wild on me
Go girls, go wild on me
Go, go, go, go, go
Go, go girls, girls
Go girls, go wild on me
Go girls, go wild on me
Go, go, go, go, go
Go, go girls, girls
Go girls, go wild on me
Go girls, go wild on me
Go, go, go, go, go
Go, go girls, girls
Go girls, go wild on me
Go girls, go wild on me

Girl you know I be watching hard
At the way that you move
Bumpin' and grindin'
Is all I think that I wanna do
You got the crowd goin' nuts
The way you pop that
I think you lookin' at me
Hoping that that's a fact
Come a little closer
From afar, girl, I just can't tell
This Hennessy got me tripin' & I just can't see well
Do you wanna keep it up in here
But the room is sweeper?
Do you you wanna take it outta here
And get the best of me?
But the way you girl
I know you wanna roll
Your sex so good
Watch me end up say
"I'm love with a stripper!"
(Hey!)

Go, go, go, go, go
Go, go girls, girls
Go girls, go wild on me
Go girls, go wild on me
Go, go, go, go, go
Go, go girls, girls
Go girls, go wild on me
Go girls, go wild on me

Go, go, go, go, go
Go, go girls, girls
Go girls, go wild on me
Go girls, go wild on me
Go, go, go, go, go
Go, go girls, girls
Go girls, go wild on me
Go girls, go wild on me

Como me encanta su piel
Y su carita
Me hace sentir especial
Mi favorita
Como menea
Se menea
Que cruel
Como menea
Se menea
(Go girl)

Go, go, go, go, go
Go, go girls, girls
Go girls, go wild on me
Go girls, go wild on me
Go, go, go, go, go
Go, go girls, girls
Go girls, go wild on me
Go girls, go wild on me
Go, go, go, go, go
Go, go girls, girls
Go girls, go wild on me
Go girls, go wild on me
Go, go, go, go, go
Go, go girls, girls
Go girls, go wild on me
Go girls, go wild on me

Come on!
La A y la F!
"Sobrenatural!"
Erick Right!
