No, I won't go, I want to stay here with you  
No, I won't go, I want to stay here with you...

Now, say what you need, don't hesitate make that call.  
If you need help, scream "HEY YOU", quietly one more  
time "hey you".

Dreams they don't help, but they do stop the hurt for  
now.  
I guess we will have to figure this one out...

Now, say what you need, don't hesitate make that call.  
If you need help, scream "HEY YOU", quietly one more  
time "hey you".

It's the passing of America [x26]  
(trust your heart, your heart) [x4]

I wanted to cry [x5]
