Everybody on the count of 3
Accept crime 1, 2, 3
Bethlehem to Galilee
Accept crime 1, 2, 3

Between the sheets the voyeur watches you
And each caress takes us one step further from his
tired truth
Say we will be free to use our bodies as we please
We will be free to use our bodies as we please

Say hey, there's no police
Hey, there's no police between two beating hearts
Hey, there's no police
Hey, there's no police between two beating hearts

Let the clergy damn our every emotion
Until every impulse is a revolution
And will we know to bring good, we'll let it carry us
through
It's your chance to use your disobedience

We will say
We will be free to use our bodies as we please
We will be free to use our bodies as we please

Say hey, there's no police
Hey, there's no police between two beating hearts
Hey, there's no police
There's no police, no police between two beating hearts

I'll feel no guilt, I won't repent
Day to day I accept crime
And that's for me to confess

Hey, there's no police
Hey, there's no police between two beating hearts
Hey, there's no police
Hey, there's no police between two beating hearts

Between two beating hearts
Between two beating hearts

Between two beating hearts
Between two beating hearts, I know
