we won't forget that girl possessed  
we won't forget that girl possessed  
possessed

who knew her legacy would destroy her future?  
you had such promise before your rape  
you had such promise before your rape

born innocent but something had to give  
exploitation, erotica and horror  
even a spread in Oui magazine  
and then your habit of getting caught  
what a frightful night  
born innocent but something had to give

we won't, we won't, we won't  
we won't forget you  
(what a frightful night)  
we won't, we won't, we won't  
we won't, forget you  
(what a frightful night)

you painted a picture so graphic  
that no one could see past it  
you painted a picture so graphic  
that no one could...  
they can't see past it

we won't, we won't, we won't  
we won't forget you  
(what a frightful night)  
we won't, we won't, we won't  
we won't, forget you  
(what a frightful night)  
we won't, we won't, we won't  
we won't forget you  
(what a frightful night)  
we won't, we won't, we won't  
we won't, forget you  
(what a frightful night)

we won't forget that girl possessed  
we won't forget that girl possessed  
possessed.
