Toot toot hey beep beep

Bad girls  
talking about the sad girls  
sad girls  
talking about the bad girls, yeah

See them out on the street at night, walkin'  
picking up on all kinds of strangers  
if the price is right you can score  
if you're pocket's nice  
but you want a good time  
you ask yourself, who they are?  
like everybody else, they come from near and far

Bad girls  
talking about the sad girls  
sad girls  
talking about the bad girls, yeah

Friday night and the strip is hot  
sun's gone down and they're about to trot

spirit's high and they look hot  
do you wanna get down  
now don't you ask yourself, who they are?  
like everybody else, they wanna be a star

Sad girls, sad girls  
you such a dirty bad girl  
beep beep uh, uh  
you bad girl, you sad girl  
you such a dirty bad girl  
beep beep uh, uh

Now you and me, we are both the same  
but you call yourself by different names  
now you mama won't like it when she finds out  
her girl is out at night

Toot toot hey beep beep
