A penny for your thoughts my love

A swinging door

A penny for your thoughts

They try to jump me

A penny for you thoughts my love

They're spaghetti

They possess me

I'm trying to be a thought killer

They come back to bite me

A penny for you thoughts my love

They court disaster

I'm trying to be a thought killer

A penny for you thoughts my love

You'll forget me

I'm trying to be a thought killer

A penny for you thoughts

They distract me

A penny for you thoughts my love

I'm sending out choirs of angels

Trying round pieces of string

To run amok run amok ran amok

To run amok

You got me you got me

Back to bite me

A penny for your thoughts
