,care a less
i couldn't care a less
care a less
i couldn't care a less
care a less
i couldn't care a less
such a mess
i know it's useless
i couldn't care a less
care a less
i couldn't care a less

while my heart keeps returning
i am lost
i am weightless
with my arms by my side
i am hope
i can break this
i am rust
i am waiting
i am here
i am weightless
i am rust
rust
rust
rust
rust

care a less
i couldn't care a less
care a less
i know it's useless
i couldn't care a less
care a less
i know it's useless
couldn't care a less
care a less
i know it's you i guess
couldn't care a less
