Poor baby's dead  
What did he do?  
Seems having him  
Not convenient for you

Could have gone away  
For a year or two  
Baby's dead forever  
What did he ever do to you

Poor baby's dead  
What did he do?  
Seems having him  
Not convenient for you.

Had he grown up  
Someone else's kid  
He wouldn't have had to pay  
For things he never did

Poor baby's dead  
What did he do?  
Seems having him  
Not convenient for you.

Since Roe v Wade  
Nineteen Seventy-three  
50 million babies  
Not bouncing on anybody's knee

Poor baby's dead  
What did he do?  
Seems having him  
Not convenient for you.

Being born is not a right  
Neither is being dead  
50 million babies gone  
Will never say, "Good night".

Poor baby's dead  
What did he do?

Seems having him  
Not convenient for you.
