Aye DJ!.
take me back one time

See I live u breathe u
love ya need u
Couldn't see u loving anyone but me
But baby baby cant u see
That u are the song I sing
And I would never hurt u game u
Try to play u love the way u
Made me ur everything
But baby baby cant u see
It aint the way it use to be naw

Its like i
Ive given all I got
Jumping all u hurdles
And getting nothing back
And u never used to say
Let me call u right back
Now when I call ur phone
I gotta leave a message at the tone

I love endlessly
Said im playing for keeps
but I need u to meet me halfway
Every promise I made
Said my love wouldn't change
So I need u to meet me halfway

You see my mama told me loves a lonely
Road so only
Walk it when u know its true
I thought I found a path in you
But im on an empty avenue
Now when I guess what she said thinking u cared
Baby I swear its like its somebody new
So let me know what I should do
Cuz right now im so confused

Its like i

Ive given all I got
Jumping all u hurdles
And getting nothing back
And u never used to say
Let me call u right back
Now when I call ur phone
I gotta leave a message at the tone

I love endlessly
Said im playing for keeps
but I need u to meet me halfway
Every promise I made
Said my love wouldn't change
So I need u to meet me halfway

Aye DJ!

I love endlessly
Said im playing for keeps
but I need u to meet me halfway
Every promise I made
Said my love wouldn't change
So I need u to meet me halfway

Its like i
Ive given all I got
Jumping all u hurdles
And getting nothing back
And u never used to say
Let me call u right back
Now when I call ur phone
I gotta leave a message at the tone

I love endlessly
Said im playing for keeps
but I need u to meet me halfway
Every promise I made
Said my love wouldn't change
So I need u to meet me halfway

Aye DJ!

And I thought we had something real
So let me know what it is cuz
I gave all I could give
And u left me guessing
And I thought
We had something true but I aint
Get no love from u
Let me know what I should do
Cuz I cant keep guessing

Its like i
Ive given all I got
Jumping all u hurdles
And getting nothing back
And u never used to say
Let me call u right back
Now when I call ur phone
I gotta leave a message at the tone

I love endlessly
Said im playing for keeps
but I need u to meet me halfway
Every promise I made
Said my love wouldn't change
So I need u to meet me halfway
