Patiently waiting
on the right guy
he says im precious
but I think he's lyin
just to get my attention
make me fall not to mention
he got crazy intentions
I couldn't trust him
so I didn't want him

surely I may not
know exactly what I want
but surely I know
exactly what I don't

still I haven't found what I've
been looking for but i
cant do this no more
imma just run and hide
go far away to hide
true love I'll never find
gonna pack my heart and hide
imma just run

I done done it all before
wined and dined even ignored
played the roll of a bad girl
and snuck some boys out the back door
just so someone would love me
I got smart and start to thinking
I wasn't smilin or feelin free
this aint love
And I ain't happy

surely I may not
know exactly what I want
but surely I know
exactly what I don't

thats what I get for being so picky
thought I found mr right but he tricked me

smiled in my facesomehow I fell hard
im hurt again and right back at start
when a different pace and lost a lot of time i
ran the wrong race and lost all my mind
I gotta get back I cant hide that
I gotta find it I guess I gotta pack
Toothbrush guitar and a big comb
Who's gonna look for me when im gone

still I haven't found what I've
been looking for but i
cant do this no more
imma just run and hide
go far away to hide
true love I'll never find
gonna pack my heart and hide
imma just run
